City Beach players bringing their sportsmanship and smiles to the court.

## Season Wrapped Up

The club ended its 2021 season in a happy place, feeling proud of its accomplishments in representing a community sporting group comprised of eager children of all abilities, from a mix of schools and cultural backgrounds. On the sidelines stood the encouraging parents and caregivers, the doting grandparents, siblings with their snacks and other loyal community members creating the supportive village we hope for when we join a club.

Backstage was the committee, who organised equipment, training courts, coaches, windups and trophies to almost 800 players (we are possibly the state's biggest junior community sporting club). Without our many volunteers, it would simply cease to exist so thank you to everyone who made the 2021 season possible.

## THANK YOU to our Sponsors

# DUET

# Helping Hands

Tristan Kirkham from NHBB showed his support at the club's AGM

Our inaugural major sponsor New Home Building Brokers (NHBB) were an immense support in 2021, helping fund the club's upgraded website, subsidising our new warm-up shirts for players and assisting the club in recognising opportunities to collaborate with local businesses.

Thanks to our Sponsorship sub-committee including Franklyn Jardine, Adam Floyd and Matt Pickford, 2022 will begin with some new sponsors on the CBBC team. Not only is the club able to keep fees to a minimum but it has also secured funding for a new Administration Officer. Welcome aboard Ann-Marie Cooper, we look forward to working with you.

New Administration Officer Ann-Marie is welcomed by President Paul West.

A big welcome to our newest committee members Gavin, Andy and Jody! It is wonderful that most of the 2021 committee will be continuing in 2022.

Sadly, Adam Floyd has hung up his Coaching Coordinator whistle, but CBBC would like to say a big thank you to Adam who provided us with years of service by sharing his great coaching knowledge as well as helping many players and coaches. We also farewell Mark Meurisse who is also leaving the committee due to work commitments.
