2024 Season Registration

January 2024, Issue 10

Registration emails will be sent out on Wednesday, 24 January to the email address the player is registered under in PlayHQ. All 2023 players will be invited to register for the 2024 season into their 2023 team.

The deadline for returning players will be COB on 31 January.

Players who have not registered OR have not contacted the Club by the deadline will lose their spot and must join the waitlist.

For those players who have submitted a change of team request by 31 January, you will have your spot in your 2023 team held while the request is considered.

For those wanting to form new teams with existing players or new players, we can't make any promises until we know how many returning players we have before moving players/teams around.

Note for parents with girls in year 5 moving to U12s. Girls U12s play on a Saturday afternoon before swapping back to Friday nights when they are in U14s.

The 2024 season fees will be \$371.75. The breakdown of the fee is:

- **BWA Registration Fee:** \$41.75 annual fee providing insurance cover across all BWA affiliated associations and competitions.
- **Basketball Australia Fee:** new \$5 fee as of 01 January 2024.
- **Perry Lakes Hawks Season Fee:** \$170 season fee in lieu of a weekly playing fee.
- **CBBC Membership Fee:** \$155 annual fee that covers training courts, singlet hire, and other costs incurred by the Club.

The registration process is a huge task, so please bear with us!

The Dream Team - Meike, Danielle & Megan

Thank you... 

Thank you to Megan Watters, Meike Chang and Danielle West for your contribution, not just this season, but all the seasons you have been part of.

Megan, your dedication to the Club has been nothing short of phenomenal. The number of hours you have put in and the knowledge you carry can never be replaced. How lucky we were to have you for 14 years. It's very fitting that the Senior Girls Trophy will, as of next year, be named on your behalf.

Meike, there are no words that can explain all the work you put in every year, even before the season has started. You go out of your way to make sure that everyone has a singlet and a pair of shorts that fit. People have no idea of the number of changes you deal with over the season, shorts being swapped for another size, last minute singlets for fill-ins or lost short replacements.

Danielle, I swear you have a fairy wand. Everything you touch is magical, everything looks stunning, articles/posts sound wonderful, warm, and inviting and you have this amazing ability to make everything sparkle. You always bring joy and peace to everything.

A big shout out to **Franklyn Jardine**, who keeps actively seeking new sponsors and ways to improve the Club.

We are fortunate to have Treasurer, **Matt Pickford** and Registrar, **Sally Hansen-Knarhoi** stay with us on the committee, but in general support roles.

Thank you to **Jody Gardiner** and **Janelle Kavanagh** who worked tirelessly in the 2023 season getting up to speed on property items (singlets, balls, kitbags, coach polos and designing our new CBBC Hoodies).

My biggest helper at the start of the season, **Mel Williams**, our new Registrar, your assistance, and hard work before the season has even started is very much appreciated.

Big thanks to **Andy Carr** who worked hard in making sure all our 2023 teams had coaches for the season.

Paul Fong and **Tania Salmon**, thanks for all your input in making our Club amazing!

Most importantly, thank you to **Paul West** for continuing to be our Club President. You have done a wonderful job of creating a committee atmosphere over the last five years, where our volunteer numbers have increased, and you make our Club a wonderful place for all our kids!

Adam Kelly, Craig Murray, Eilish Russie, Naeim Babaii, Sarah Williams & Vanessa Reside we can't wait to have you all on board in 2024. Welcome to the CBBC Family!
