2022 Season Wrap Up

I took on the role of Admin Officer in December 2021, at which time I had very basic knowledge of basketball, and no idea what I was getting myself into. Have I enjoyed the last 13 months? Absolutely! The Committee are amazing, and I am so fortunate to work with such a talented group of people and there are many thanks that need to be said.

Firstly, Paul West, our Club President, without you we wouldn't have a Club. You are patient, knowledgeable, and you always make sure you have all sides of the story before taking action. You think outside the box and have everyone's best interest in every decision.

Megan Watters, Vice President, you are a basketball encyclopaedia on legs! You are always fair, thorough, and put way too many hours in every day, there are not enough words to thank you and I'm grateful that I got to learn from the best!

Franklyn Jardine, Secretary, where would we be without you? You worked your butt off last year getting sponsorship polos out for our Coaches and Managers which look amazing, as well as co-ordinating the huge donation giveaway of our older style singlets to regional BWA.

Matt Pickford, Treasurer, thank you for making sure that we, as a Club, always have the funds we need to run, keeping CBBC on track and always making our meetings light-hearted and fun.

Meike Chang, Property Officer, you are truly a goddess with the patience of a saint. You've single-handedly taken on a role that has continued to grow and you do it all with such grace, care and dedication.

Danielle West, Communications Officer, your amazing talent of making everything look good, keeping everyone informed on our Facebook page, organising our windup venues, taking photos at games, I have no idea what we would do without you and your calming presence.

Sally, Tania and Mel (and Megan), you guys absolutely rock and were such a huge part of registrations for the 2022 season. Trying to organise that many teams is no easy feat, but you ladies took on the role with huge smiles. There were a LOT of hours of laughter, frustration, changes and thankfully food. Hope you're ready for the 2023 season!

Bev Harland, Coaching, thank you for your time and support on the Committee over the years. In 2022 you got thrown into the Coaching role and blitzed it, finding coaches so we could finalise our teams. It was a tough gig, but you did it and never once complained. Thank you for being part of our CBBC family. We will miss having you on the Committee in the 2023.

Jody Gardiner and Andy Carr, the two of you and your wonderful kids have been there at every kitbag pick up and drop off plus the shorts buy/swap afternoon. They were crazy afternoons where we got rained on, had huge queues, and had to contend with last minute covid changes. Thank you for the hours of ball pumping, ball deflating, singlet folding and last-minute pickups.

Lastly, Gavin Burnett, thank you for being part of our committee for the last twelve months and giving your time. We are grateful that you will continue to be working behind the scenes helping us with our IT support and webpage, we need it!

Not only do we have an amazing committee, CBBC have sponsors who continue to support our club. NHBB, Probroker and Regenerate Physiotherapy are there at our Club events with their families. Duet and Hart & Co are always the first to put their hand up with giveaways. Locafy provide us with our IT support so that we can bring you our latest news on our website and last but not least, who could forget our medical sponsors who provided information for our medical newsletter and big thanks to Adam Floyd (Regenerate Physiotherapy) and Darryn Sargent (Peak Podiatry) for giving up their time and hosting a medical night for the Club. Thank you all so much.

Another huge shout out to NBL1 Coach, Matt Parsons, who kindly hosted two absolutely amazing Coach the Coaches sessions, with NBL1 Player, Andrew Ferguson, for the Club.

For those who have ever thought about joining the Committee, they really are a great team of people. Everyone is helpful and happy to help-out in any way possible, they are inviting and friendly. Even if you don't want to join the committee but are happy to help-out with kitbag pick up and drop offs, your help would be more than welcome and I'm sure you'll have a few laughs along the way.

For those that love numbers, our 2022 season had 87 teams plus five miniball teams and a record of 766 players! Out of 48 girls and boys U14, U16 and U18 teams, we had 33 teams make the semi-finals and 15 in the grand finals.

Please bear with us over the next few months as things start to ramp up with registrations, we truly appreciate you all and look forward to another amazing season in 2023!
